## Multi-Device Wireless Connection

BT 5.0 + EDR technology allows faster pairing without dropping the signal. In addition to low power consumption, it provides stable and seamless data streaming with a max range 10 m. Easily connect multiple devices at the same time.

## One Adapter, Dual Connectors

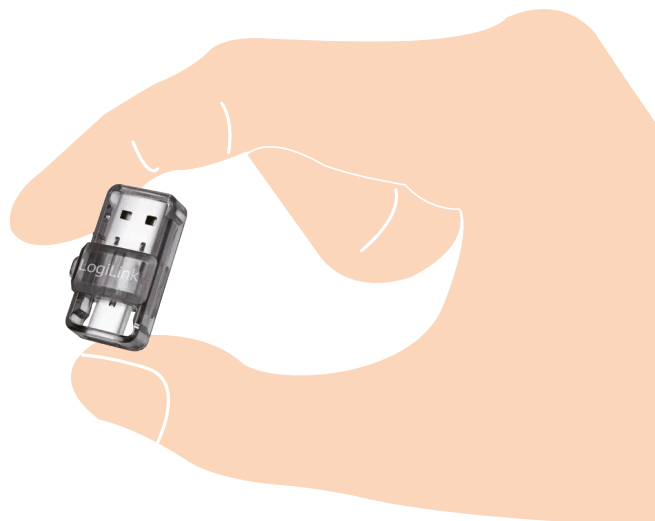

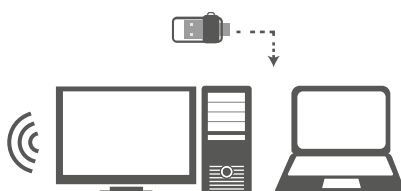

Simplify thing with a single lightweight adapter; USB-C and USB-A connectors are interchangeable. Allows you to use a single adapter in almost any computer; effortlessly give your computer BT functionality.

## Mini Size

The extremely compact design makes it easy to carry and allows you to leave it in your laptop or PC.

## Compatible with Windows and Linux

Plug it into any computer running Windows or Linux operating system.
