

intimus 1000 | 2000 | 3000 At the Desk

Professional Data Shredders – a Synthesis of Technology, Performance and Design. All intimus® shredders are built from durable, precision engineered, high-performance components, designed for a long life of high volume usage. The product range covers all requirements from day-to-day office use up to High Security Shredding machines in use for destruction of classified material in line with all current legal requirements such as DIN 66399 or NSA 02/01. intimus® shredders carry various features which make them unique in user-friendliness and operating efficiency.

- intimus 1000 and 2000: Easy and comfortable operation with slide switch – On / Off control via light barrier
- intimus 3000: Easy and comfortable operation with push button for Forward and Reverse – further Auto-Reverse function in case of paper jam. Push button for power safety and electronic „bin full“ indicator

All models:

- LED control display
- Removable catchbasket
- Mounted on rollers for flexible use
